

## SWAAAC Monthly Phone Conferencing

- For anyone who wants to gain or share information regarding assistive technology
- You can call Assistive Technology Partners from anywhere (school, home etc...)
- Network with other AT professionals, get your questions answered and share your ideas

To initiate a conference call, simply dial the Reservationless access number and room number listed below:

### Accessing Reservationless:

US Domestic: (866) 258-0035

Room Number: **\*2197481\*** (The star key **must** be entered before and after your room number)
