## New Resources for SWAAAC

ATP is involved in two new exciting projects! One involves reutilization of used AT equipment and the other is a comprehensive on-line database system for AT Funding Sources in Colorado.

The ATMatch is just getting started posting items for sale. Some school districts have already shown an interest in using this site for their surplus and outdated equipment. Some of the equipment might be of interest so check it out!

Go to [www.uchsc.edu/atp](http://www.uchsc.edu/atp) and click on AT Funding Sources or Colorado AT Match for an in-depth look at these resources.

### Are You Missing the Boat? SWAAAC Yahoo Group

Visit [SWAAAC@yahoogroups.com](mailto:SWAAAC@yahoogroups.com) for a chance to network with other SWAAAC members. Current topic discussions about Interactive Whiteboards and their use with special populations have been very informing. Join in and share your expertise and experiences, ask questions, obtain new resources!

### **We Still Need Your Help!**

Fellow SWAAAC'ers,

We would like your help in decorating the Accessible Classroom. We are going to display artwork and writing samples by our students that use AT.

We will look into framing them if possible. Samples will not be returned.

For those who did not attend the Team Leaders meeting on April 25 please send your Form with the information of what you are planning on submitting AS SOON AS POSSIBLE.

Thank you,

Maureen Kasa, M.A.

Assistive Technology Team, Adams 12 School District
