

Loan Bank Spotlight Items

Dedicated SWAAAC Loanbank eBook Readers:

The Kindle and the Nook

Now available to check out through the loan bank!

The Kindle and Kindle DX (9.7" diagonal display is 2.5x larger than the Kindle) are lightweight, portable reading devices. Wi-Fi connectivity allows users to download and read books, newspapers, magazines and blogs from the Kindle Store. Each Loanbank Kindle and Kindle DX has been downloaded with a variety of demonstration books. We are happy to take requests, but please allow the central SWAAAC office to download new items.

The Kindle Dx also offers Text To Speech and text size adjustment capabilities. The following formats are supported by both the Kindle and Kindle Dx:

- Kindle (.AZW)
- plain text (.TXT)
- unprotected .MOBI

The Barnes&Noble competitor, the NOOK, offers touchscreen navigation and supports a few more universally recognized formats:

- ePub
- PDF
- Graphic: JPG, GIF, PNG, BMP

**The Nook supports e-book lending and EPUB loans from libraries as well as the selections from the Barnes&Noble store.

The e-ink screens on these 2 dedicated eBook readers are extremely sharp and easy on the eyes, ...without laptop glare or fatiguing 60Hz screen refresh.

“...e-ink screens have some drawbacks: they're black and white, and the pages don't refresh as quickly as those on an LCD do. However, they do an excellent job of reproducing the look of printed paper. They're not backlit--so you can't read in the dark--but you can read them in direct sunlight, which is something you can't do on an LCD screen.”
